

When a friend told me about air1 I was so happy, finally a radio station that is family friendly and uplifting. I know that hundreds of thousands of people just like me need Air1 and want to keep it on the air so that as many people as possible can hear the good news of Jesus Christ. My fellow listeners and I support Air1 financially every month and we will continue to do so given the opportunity. Please do not take Air 1 off the air, thank you Shanon Pendergist
